O R D E R

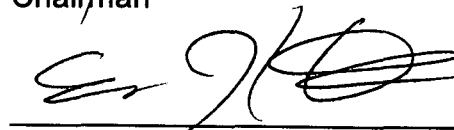

On June 2, 1997, Lake Village Water Association, Inc. ("Lake Village") submitted a notice of proposed changes to certain nonrecurring charges. The Commission, by letter dated July 1, 1997, advised Lake Village that the notice failed to conform to Administrative Regulation 807 KAR 5:011, Section 10, and that, pursuant to Administrative Regulation 807 KAR 5:001, Section 2, its submission was rejected. The Commission further requested that Lake Village cure the deficiencies in its filing within 15 days. When Lake Village failed to respond, the Commission, by letter dated August 13, 1997, again requested that the utility cure the filing's deficiencies. Lake Village has yet to respond to this second request.

Having considered Lake Village's failure to cure the deficiencies in its submission and finding that adequate time has elapsed for Lake Village to cure such deficiencies, the Commission HEREBY ORDERS that this case is dismissed without prejudice.

Done at Frankfort, Kentucky, this 29th day of September, 1997.
